# Value-Add Services

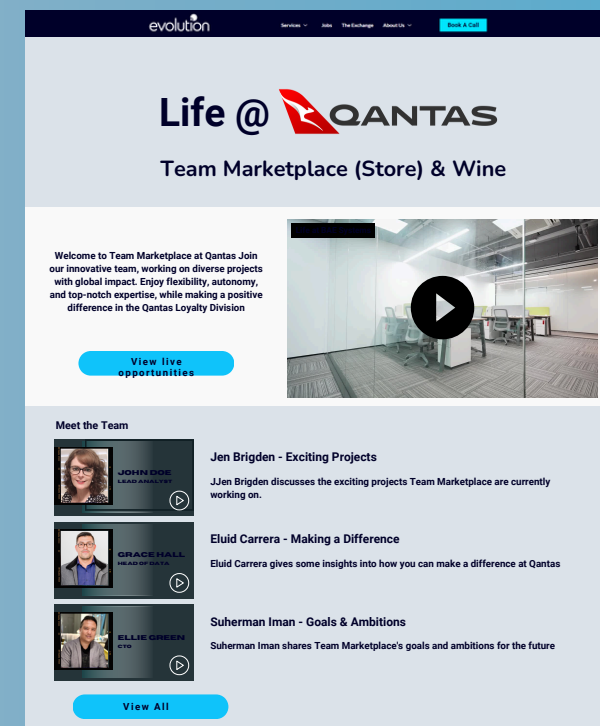

## Branded Podcasts

## Evo Inspires

## Life @ (EVP Page)

## Market Insight Reports

\*Features are all non-chargeable

\*Contractor Care / Compliance & Legal are only available for Contract Services

# Our USP

We know how you *feel*. Investing time in reviewing CVs and interviewing candidates that don't lead to anything. Others *felt* the same. We *found* the solution - 

## Saves Time

You don't need to go through every CV. Just the **BEST** ones. We'll only send you our A grade candidates.

## Better Quality

**GONG Video Snippets:** Data-driven AI technical and cultural pre-screen interviews qualifying and showcasing candidates.

## Equal Cost

**Enhanced Assessment:** Provides a comprehensive yet efficient evaluation of candidate abilities beyond traditional screening methods at no extra cost.

# How We Work

# Testimonials

"Evolution was our number one supplier in 2024"

**CIO**  
Global Japanese Bank

"I really like how Evolution has incorporated AI tools in their recruitment process."

**Executive Director**  
Global Japanese Bank

"The partnership with Evolution Recruitment Solutions was a key factor in how we were able to meet our AI hiring goals in 2024. After struggling in 2023, their deep industry expertise and global reach gave us access to the talent we needed to execute our Industry 5.0 vision."

**Global Innovation Head**  
Global Automotive Leader
