Growing and expanding a company is exciting, but the process of hiring talented people to take the company to the next level can be daunting. For SMEs and start-ups, the need to hire fast and hire right is crucial because:

- your company's growth depends on it.
- every new addition to your team can change your company's DNA.
- small businesses require hires with a unique set of qualities.

## An efficient, cost-effective and innovative recruitment solution

At Evolution, we know that identifying the right talent for small businesses requires a different approach. That is why we introduced Talent Light, aimed at addressing your hiring needs at a fraction of the investment required for a full-fledged recruitment service. Talent Light enables you to:

Hire fast

Fill multiple positions quickly

Hire right

Avoid high costs of a full-fledged contingency search service

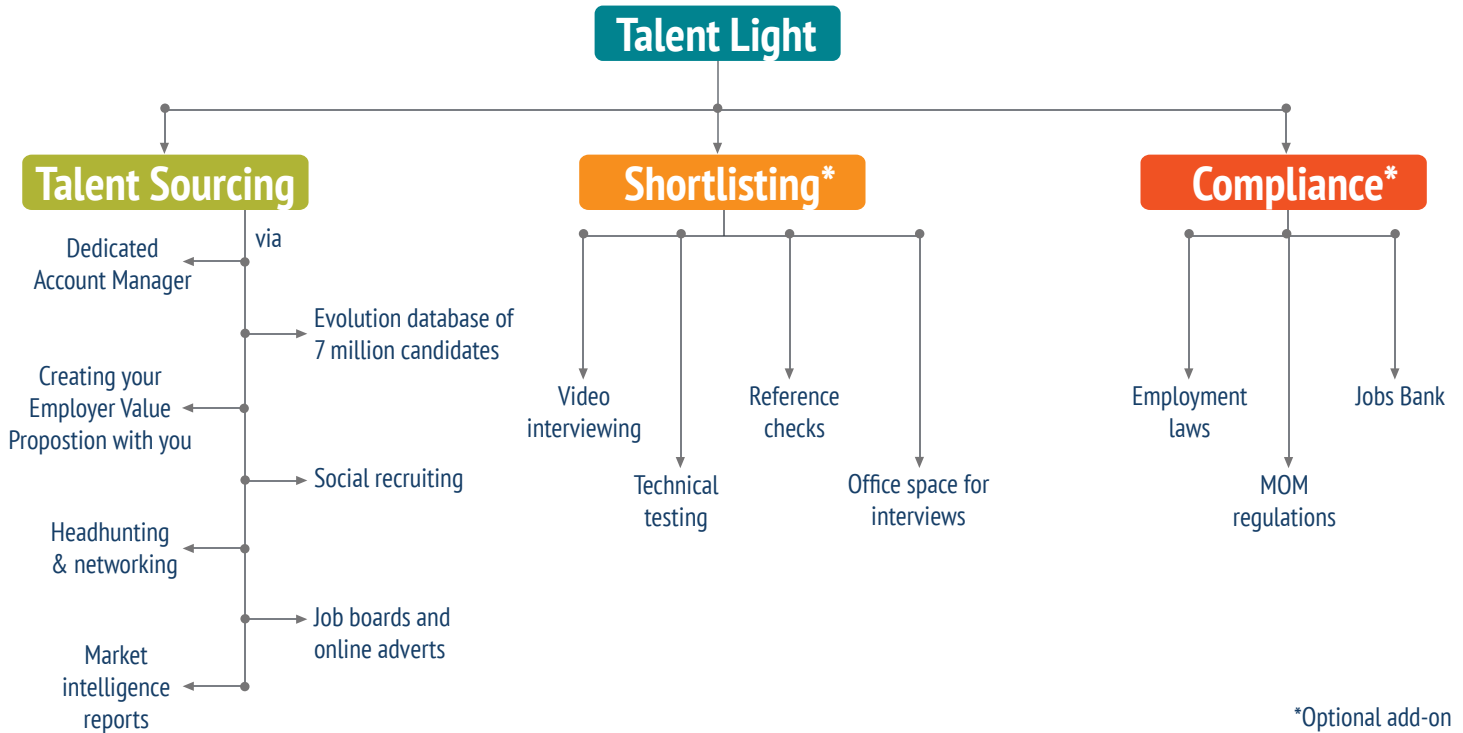

**“Hiring challenges faced by small businesses are different from those of large companies. That is why we employ a specially tailored approach at Evolution.”**

**Jake Bridge**  
Client Solutions Director

## One affordable solution to power your recruitment process

With Evolution's Talent Light, you have an award-winning IT recruitment specialist managing these aspects in your recruitment process.
